

# INVITATION FOR IRISH DANCE FESTIVAL 2024

Dear Irish Dance Community,

the Irish Dance Festival under the banner of "ERLEBNISCAMP" has already been organized twice for Irish Dancers from all over Germany and the surrounding area.

Similar to when we organized the workshop weekend with the Fusion Fighters in Lingen back in December 2022, The Arc of Irish Dance e. V. are planning the Irish Dance Festival this year on **22.06.2024 + 23.06.2024 in Haren (Ems)**.

We invite all those interested in Irish Dance to spend a great time with us and learn a lot together!

The whole weekend will be spent outside in green surroundings with large tents, great floor for dancing and various food stands.

This time Chris Naish himself will be coming along with some of his dancers (FusionFighters) to do workshops with cool competition moves and new jumps, show choreos and drills, so that everyone gets something new to learn. Anton & Sully from the Feis App will be accompanying the dancers live throughout the weekend.

There will also be an open-air show on Saturday evening, June 22nd, with ticket sales and a live audience, where your dancers can also perform - or simply sit in the audience and enjoy the great show. With popcorn or a glass of wine for the grown-ups :)

The FusionFighters, Anton & Sully and a live band also participate in the show.

Although Haren (Ems) is a little further north in Germany, it is located directly on the highway/Autobahn. We have a cooperation with the local Hotel Greive, where people can stay overnight very cheaply with the keyword "Irish Dance" and it is only a 3-minute drive to the location. We also offer free transfers from the hotel to the location. Our volunteers will be waiting for your call! For rail travelers, the nearest train station is in Emmeln. Here, too, we offer a free transfer to the location, which takes a maximum of 7-9 minutes.

There will be a spectator area for accompanying persons throughout the day with food stalls etc.

**Target group: from 8 years to unlimited; beginner to open**

We wish everyone a great and productive Irish Dance Festival 2024!

On the next page you will find some links with further information and a price overview.

With kind regards
